CAUSE

The defendant was released with the condition to comply with 10 months of home confinement with electronic monitoring. The defendant has now served 5 months of the imposed condition. The defendant had already served 11 months on electronic monitoring as a condition of her pretrial supervision. As the defendant is currently employed, complying with all conditions imposed by the Court, and has complied with a total of 16 months of electronic monitoring, it would be respectfully recommended the remaining 5 months of home confinement be terminated.
